The Resident acknowledges that the Accommodation Provider is entitled to change the Resident's Accommodation Place during the duration of the Accommodation Relationship, either at the Resident's request or due to Operational Need. In such cases, the ASPF will decide on the allocation of a new Accommodation Place, taking into account in particular the available accommodation capacity. If a new Accommodation Place is allocated to the Resident, the procedure shall be in accordance with paragraph 4.3.1 et seq. of the GATC.
- 4.1.6 The elements of the Accommodation Agreement are:

- 4.2.2 The Accommodation Provider shall hand over the Accommodation Place with the Accessories to the Resident in a condition suitable for proper use. Upon taking possession of the Accommodation Place, the Resident is obliged to check its condition, namely the condition of the Room, the condition of the Shared Spaces and the condition of the Accessories. The Inventory can be checked by the Resident within the ISKAM User Account, specifically in the overview of the current accommodation (the Inventory of individual Rooms is also available on the Website).
- 4.2.3 If the Resident discovers any defect (e.g., missing Inventory items) after taking possession of the Accommodation Place, they are obliged to report this fact within 24 hours via the Book of Defects in the ISKAM User Account. In the event that the Resident does not report any defect, the Resident shall be deemed to have taken possession of the Accommodation Place in a condition suitable for Accommodation; the Resident acknowledges that any subsequent objections shall be disregarded and the Resident shall be obliged to surrender the Accommodation Place with the Accessories in the condition as per paragraph 8.4.3 of the GATC on the date of termination of the Accommodation Relationship.

4.3 Operational Need of the Accommodation Provider, Relocation of the Resident

- 4.3.1 In the event of an Operational Need, the Accommodation Provider shall invite the Resident to relocate by sending an e-mail to the e-mail address last provided in the ISKAM User Account. - 4.3.2 If the Resident is relocated to a Room with a higher Dormitory Fee, the Resident will be charged the original price; if the Resident is moved to a Room with a lower Dormitory Fee than the original price, the Resident will be charged the lower price.
- 4.3.3 Relocation is preferably resolved by agreement between the Resident and the Accommodation Provider. If no agreement is reached, the Accommodation Provider shall then proceed in accordance with paragraph 4.3.1 of the GATC. The Resident shall be obliged to relocate within 7 calendar days of receiving the notice from the Accommodation Provider. The Resident shall receive the notice to relocate to the e-mail address last entered in the ISKAM User Account.

4.3.4 In the event that the Resident does not relocate within the time limit set in the notice to relocate according to Article 4.3.3 of the GATC, which was given due to Operational Need related to the Accommodation Place, the Accommodation Provider may, as a last resort, proceed to evict the Resident at their expense. In this case, a list of evicted items signed by a three-member committee appointed by the Accommodation Provider will be drawn up. The Resident will be notified of the place of storage of their belongings.

4.4 **Dormitory Fee and its payment, Financial terms and conditions**

4.4.1 The Resident is obliged to pay the Dormitory Fee to the Accommodation Provider. The amount of the Dormitory Fee at the respective Dormitory shall be governed by the applicable Price List of Dormitory Fees. The Price List of Dormitory Fees is published on the Website.

4.4.2 The obligation to pay the Dormitory Fee shall arise from the Arrival Date agreed in the Agreement. Failure to accept the Accommodation Place on the Arrival Date does not relieve the Resident of the obligation to pay the Dormitory Fee. If the Resident does not take over the Accommodation Place even at a later date and does not pay the Dormitory Fee properly and on time, the Accommodation Provider is entitled to proceed according to paragraph 8.3.8 of the GATC.

4.4.3 The Dormitory Fee also includes the price for services related to the Accommodation (*paragraph 4.6 of the GATC*), which are provided within the Accommodation.

4.4.4 The Dormitory Fee consists of the following components:

- a) a fixed component comprising operating costs (e.g., staff wages, depreciation, etc.) and
- b) a variable component which is influenced in particular by the price of input energy costs.

4.4.5 The Resident undertakes to pay the Dormitory Fee monthly in advance, no later than on the 20th day of the calendar month immediately preceding the calendar month for which the Resident pays the Dormitory Fee. The due dates of the Dormitory Fee for the first and second month of accommodation are as follows:

- a) if the Accommodation commences before the 20th day of the calendar month, the Dormitory Fee for the first month of Accommodation is payable on the date on the Check-in Date;
- b) if the Accommodation commences after the 20th day of the calendar month, the Dormitory Fee for the first and second month of Accommodation is payable on the Check-in Date;

Dormitory Fee for the following months is already payable in the standard way.

4.4.6 In the event that energy prices change in a significant way, the Resident acknowledges that the difference in the variable component of the Dormitory Fee referred to in paragraph 4.4.4 point b) of the GATC may be adjusted (increased) accordingly by the Accommodation Provider. The Accommodation Provider undertakes to inform the Resident of any changes without undue delay after becoming aware of the change. If the Accommodation Provider informs the Resident after the Resident has already paid the Dormitory Fee for the relevant calendar

month, the Resident is obliged to pay the increased amount of the Dormitory Fee only on the due date for the following calendar month.

4.4.7 Dormitory Fee can be paid in the following ways:

- a) by direct debit;
- b) by wire transfer;
- c) by payment card in the ISKAM User Account;
- d) exceptionally by payment card or in cash in the office of the Head of the Dormitory or at the Dormitory reception, always in CZK currency.

4.4.8 When choosing payment by direct debit, it is necessary to enter this option in the ISKAM User Account and also to enter the number of the bank account in CZK currency with a monetary institution based in the Czech Republic from which the direct debit will be deducted. The direct debit is then made on the basis of the Resident's consent to the debit from the above bank account in favour of account no. 1793102/0800. The monthly limit for direct debit is at least CZK 12,000. The direct debit of the Dormitory Fee shall be carried out from the 1st to the 10th day of each previous calendar month and shall be carried out by the Accommodation Provider only once each month, which the Accommodation Provider shall inform about on the Website. In the event that it is not possible to collect the Dormitory Fee due to an obstacle on the part of the Resident or the Resident fails to enter the bank account number from which the Dormitory Fee is to be collected in due time, the Resident shall be obliged to make the payment of the Dormitory Fee in any other way in accordance with paragraph 4.4.7 of the GATC. Payments by wire transfer shall be made to account no. 1793102/0800, with the variable symbol (VS) being the number of the Accommodation Agreement. Each Resident who has set up the direct debit payment method is obliged to check after the direct debit that it has been properly debited and therefore the Dormitory Fee has been paid, especially in cases where the direct debit could not be carried out for technical or other reasons.

4.4.9 Payment of the Dormitory Fee for the relevant calendar month of the Accommodation Relationship shall mean payment of the full amount of the Dormitory Fee, payment of any interest on late payment, compensations, fees or contractual penalties at the time of crediting these amounts to the bank account of the Accommodation Provider. A summary of amounts due and payments required is available in the ISKAM User Account. The Resident acknowledges that in case of delay in payment of the Dormitory Fee, they are obliged to pay interest on late payment (*paragraph 7.1.9 of the GATC*).

4.4.10 If the Resident is in delay with the payment of the Dormitory Fee or other debt, the payment made by the Resident shall be applied to the payment of the oldest overdue debt for the Dormitory Fee and services related to the Accommodation, and only then to the accessories, contractual penalties and other obligations. If the Accommodation Provider has two or more debts with the same due date, payment will be made to the debt with the oldest system date of the taxable supply.

4.4.11 When a payment is received from a foreign account to the bank account of the Accommodation Provider, the Resident acknowledges that the amount corresponding to the

bank charges related to this transfer will be deducted from the Resident's account. The return of funds to a foreign bank account is subject to a handling fee in accordance with the Price List of Compensations, Penalties and Fees.

- 4.4.12 In the event that the Accommodation Period is less than 30 nights, the Accommodation Provider will invoice the Resident for all Accommodation fees on the Arrival Date. Payment of all Accommodation fees shall be made no later than on handover of the Accommodation Place by payment card at the office of the Head of the Dormitory or by payment gateway in the ISKAM User Account.

4.5 Booking Deposit, Accommodation Security

- 4.5.1 The Applicant is obliged to pay the Booking Deposit in the amount of CZK 8,000 on the date and in the manner specified in the Time Schedule.
- 4.5.2 The entire Booking Deposit will be transferred to the Accommodation Security on the Arrival Date. If the Booking Deposit is not paid by the Applicant within the specified time, the Accommodation Provider is entitled not to provide the Accommodation Place to the Applicant; paragraph 3.1.5 of the GATC is not affected by this.
- 4.5.3 The Head of the Dormitory may decide to increase the Accommodation Security. If it is increased in accordance with this paragraph, the Resident shall be obliged to increase the Accommodation Security up to the amount set by the Head of the Dormitory within 5 calendar days after becoming aware of this obligation.
- 4.5.4 The Resident acknowledges that the Accommodation Security also serves as a deposit for damages caused to the property of the Accommodation Provider that has been entrusted to the Resident for use (*paragraph 5.2.3 of the GATC*).
- 4.5.5 The Booking Deposit or Accommodation Security may be used to settle debts of the Applicant/Resident that the Accommodation Provider has recorded (compensation for damages, outstanding Dormitory Fee with accessories, contractual penalties, etc.); in such case the Accommodation Provider is entitled to make a unilateral set-off against the Booking Deposit or Accommodation Security against the claim recorded by the Accommodation Provider.
- 4.5.6 If the Accommodation Security is used according to paragraph 4.5.5 of the GATC, the Resident is obliged to replenish the Accommodation Security to its original amount within 5 calendar days after becoming aware of this obligation; the Accommodation Provider shall inform the Resident of the reduction of the Accommodation Security without undue delay.
- 4.5.7 Refund of the Accommodation Security or part of it will be made after the end of the Accommodation on the basis of the request of the Resident in the ISKAM User Account. The refund will be made by sending it to the account of the Resident after providing the details necessary for the bank transfer in the ISKAM User Account, or by transfer to the Resident's payment card, in exceptional cases in cash in CZK at the office of the Head of the Dormitory. The Accommodation Deposit or any refundable part thereof shall be refunded no later than 30 days from the date on which the Accommodation ends, provided that the Resident has submitted a request for its refund. If the application for accommodation is cancelled before

the Accommodation begins, the Reservation Deposit or any refundable part thereof shall be refunded no later than 30 days from the date on which the request for its refund is submitted.

- 4.5.8 For the avoidance of doubt, it is hereby declared that the Applicant/Resident shall not be entitled to interest on the Booking Deposit and/or Accommodation Security.

4.6 Services related to Accommodation

- 4.6.1 Dormitory Fees cover the cost of the following services in particular:

- a) supply of heat (central heating), electricity, water (water charges), sewage disposal (sewerage charges);
- b) sewage water disposal;
- c) cleaning of the Common Spaces of the Dormitory;
- d) collection of household waste;
- e) security services;
- f) internet connection;
- g) change of bed linen 1 x per 14 calendar days;
- h) other services of an operational nature.

- 4.6.2 In the event of temporary interruption of water, electricity, heat, internet connection, etc. by the suppliers of these services, whether due to accident, breakdown or force majeure, the Resident acknowledges that no discounts, refunds or compensation will be provided for the non-provision of these services.

4.7 Continuation in Accommodation

- 4.7.1 If the Resident wishes to enter into An Agreement with the Accommodation Provider for the following academic year after the termination of the Accommodation Relationship, i.e., to continue in principle in the Accommodation, the Resident must submit an application within the time and subject to the conditions set out in the Time Schedule. If the Resident complies with these conditions, the Accommodation Provider shall take this request into account when allocating the Accommodation Place in accordance with paragraph 3.1.2 point c) of the GATC; however, the same Accommodation Place shall not be claimed where, in particular due to Operational Need, a different Accommodation Place may be allocated.
- 4.7.2 If the Resident fails to comply with the terms of the Time Schedule, the Accommodation Provider shall be entitled to assign the Resident a different Accommodation Place than the Accommodation Place used by the Resident on the date of termination of the Accommodation.

5. RIGHTS AND OBLIGATIONS OF THE RESIDENT

5.1 Rights of the Resident

- 5.1.1 During the Accommodation Relationship, the Resident is entitled to notify the Accommodation Provider of any defects related to the Accommodation Place and its Accessories, in particular

by entering them in the Book of Defects in the ISKAM User Account. The Accommodation Provider is obliged to deal with such reported defects without undue delay.

- 5.1.2 The Resident is entitled to receive visitors, i.e., natural persons who do not have an Agreement with the Accommodation Provider, or are not accommodated in the Dormitory assigned to the Resident. In the event that the visitor stays in the Room of the Resident between 00:00 and 07:59, the Resident shall be obliged to pay the guest accommodation fee corresponding to the Dormitory Fee according to the valid Price List of Dormitory Fee. The Resident is obliged to report such visit in the ISKAM User Account.
- 5.1.3 The Resident shall be entitled to provide the Accommodation Place to the reported visitor for a maximum of five calendar days, or four consecutive nights; in total, the Accommodation Place may be provided in this way for a maximum of four nights in any one calendar month, regardless of whether these are different visits.
- 5.1.4 A visitor may only be provided with the Accommodation Place with the consent of all Roommates. Unless the Roommate notifies the Dormitory reception or the office of the Head of the Dormitory of their disagreement with the visitor's stay, they are deemed to have consented to the visitor's stay.
- 5.1.5 An overnight stay of a visitor in violation of paragraph 5.1.3 and/or paragraph 5.1.4 shall be considered a gross violation of the Dormitory Code by the Resident who allowed such an overnight stay. An unauthorised overnight stay is also considered to be one that has not been entered in the ISKAM User System (see paragraph 1.5.1. of the [Dormitory Rules](#)).
- 5.1.6 The Resident acknowledges that their visitor must comply with the same obligations as the Resident and must be duly instructed by the Resident. In doing so, the Resident accepts the obligation to compensate for any damage caused by the fault of the visitor ([paragraph 7.1.1 of the GATC](#)).
- 5.1.7 The Resident is entitled to use the services of individual Dormitories to the extent and under the conditions set out in the Price List of Services.

5.2 Obligations of the Resident

- 5.2.1 The Resident acknowledges that by entering into the Agreement, they undertake to comply with the following obligations, which are subject to a contractual penalty in accordance with paragraph 7.1.3 point a) of the GATC:
 - a) familiarise themselves with and observe the obligations set out in the Dormitory Code ([paragraph 1.1.4 point a\) of the GATC](#)), the fire and operating regulations ([paragraph 1.1.4 points b\) and c\) of the GATC](#)) and the applicable documents pursuant to paragraph 1.1.4 point d) of the GATC, always within the meaning of the current valid and effective version of these documents, which is published on the Website; the Resident is obliged to observe the legal regulations of the Czech Republic, the principles of safety, hygiene and fire regulations, the principles for the protection of personal health, the principles of safe conduct of sports and other activities, as well as the principles of decent behaviour and morality;

- b) follow the organizational instructions of the representatives of the Accommodation Provider (especially the Head of the Dormitory);
- c) pay the Dormitory Fee as well as any debts related to the Accommodation properly and on time;
- d) before taking possession of the Accommodation Place, present a valid identity card or passport to the Accommodation Provider; only at the Vltava Dormitory is the Resident obliged to hand in a 35 x 45 mm colour photograph of their face necessary for the production of a dormitory card;
- e) after taking possession of the Accommodation Place, to follow paragraph 4.2.3 of the GATC, and not to move the Accessories of the Room and/or Shared Spaces without the consent of the Head of the Dormitory;
- f) notify the Accommodation Provider of a change in the personal data or other data specified in the Agreement within 5 working days of the occurrence of the fact that led to the change;
- g) observe personal hygiene, to keep the Accommodation Place and Common Spaces of the Dormitory clean and tidy, to behave in such a way that their behaviour does not restrict or disturb other persons beyond the usual level corresponding to normal circumstances;
- h) maintain up-to-date information in the ISKAM User Account, in particular bank account number, e-mail address and contact details where the Resident can be reached;
- i) if the Resident is a graduate of the VŠE or a student of another university, to request a smart entry card from the Head of the assigned Dormitory and to pay the deposit specified in the Price List of Compensations and Fees;
- j) pay the Accommodation Provider a flat-rate compensation in the amount specified in the Price List of Compensation and Fees for each key to the Room (cell) entrusted to the Resident that has been damaged, lost or not returned;
- k) pay a flat-rate compensation to the Accommodation Provider in the amount set out in the Price List of Compensations and Fees for a dormitory card that has been lost or not returned;
- l) not to copy and/or allow copying of entrusted Room (cell) keys and access elements from the Dormitory (smart cards).

5.2.2 The Resident further acknowledges that by entering into the Agreement they undertake to comply with the following obligations, which are subject to a contractual penalty in accordance with paragraph 7.1.3 points b) and c) of the GATC:

- a) not to allow the transfer of the Accommodation Place to another person, except under the conditions for reported visits;

- b) prevent unauthorized persons from entering the Accommodation Place and/or the Shared Places, except in the case of entry of persons under the conditions for reported visits (*paragraph 5.1.2 of the GATC*);
- c) move out of the Accommodation Place under the terms of paragraph 8.4.1 and paragraph 8.4.3 of the GATC;
- d) immediately notify the Accommodation Provider of any damage and/or defect detected or caused to the Accommodation Place with Accessories in the Book of Defects in the ISKAM User Account, or at the Dormitory reception or in the office of the Head of the Dormitory;
- e) protect the property of the Accommodation Provider located in the Accommodation Place against damage or theft, and if damage is caused by the Resident and/or their visitor, pay for such damage within the time limit set by the Accommodation Provider;
- f) act in such a way as to prevent damage to the property of the accommodated persons and/or the Accommodation Provider (e.g., to turn off the taps when leaving the Room, to close the doors and windows, to secure the Accommodation Place against damage or theft of movable property by locking it).

5.2.3 With regard to strict respect for the privacy of the accommodated persons, the possibility of the Accommodation Provider to identify a perpetrator that caused the damage in the Accommodation Place and/or Shared Spaces is excluded for objective reasons. Therefore, the Resident acknowledges that if damage occurs to the property of the Accommodation Provider which is used by the Resident together with other Roommates (the Accommodation Place with the Accessories), the liability of the Accommodated Person for the damage will be determined according to the rules of Section 2915, second sentence of the Civil Code, since in compliance with the obligations of the Resident, especially according to paragraph 5.2.2 of the GATC, it can be objectively excluded that the damage can be caused by a person other than the Accommodated Person or the Roommates or their visitors. As the potential perpetrator will always belong to the above defined group of persons, the Accommodated Person acknowledges that this damage will be compensated from the Accommodation Security deposited by the Resident, to the extent that it corresponds to the proportion of the total costs incurred to repair the damage to the total number of Roommates. The Accommodated Person, as a jointly and severally liable perpetrator, may subsequently settle with the Roommates in accordance with § 2916 of the Civil Code, i.e., according to their participation in the damage.

5.2.4 Paragraph 5.2.3 of the GATC on the joint and several liability of the Accommodated Person does not apply if the specific natural person who actually caused the damage can be identified and the damage can be objectively proven.

5.2.5 The Resident acknowledges that the specifics of the rules of conduct and behaviour of the Resident and their visitors are further regulated in particular in the Dormitory Code.

6. RIGHTS AND OBLIGATIONS OF THE ACCOMMODATION PROVIDER

- 6.1.1 The Accommodation Provider shall be entitled to enter the premises of the Accommodation Place only with the prior consent of the Resident; without the consent of the Resident, the Accommodation Provider shall be entitled to enter only exceptionally if it is expedient to do so, namely in order to dispel a reasonable doubt as to whether the Accommodation Place is being used in accordance with the Agreement, to assess the performance of necessary repairs or maintenance, or to avert imminent harm to life, health or property. The Resident acknowledges that the Dormitories are regularly inspected for compliance with housekeeping obligations (*see paragraph 2.4 of the [Dormitory Rules](#)*).
- 6.1.2 The Accommodation Provider is obliged to hand over to the Resident the subject of accommodation (the Accommodation Place) in a condition suitable for proper use and to ensure the undisturbed exercise of their rights related to the Accommodation.
- 6.1.3 The Accommodation Provider is obliged to ensure that the defects and damages notified by the Accommodation Provider under paragraph 5.1.1 of the GATC are removed without undue delay.
- 6.1.4 The Accommodation Provider may grant the Resident the right of first refusal to choose the Accommodation Place if the Resident meets the conditions set out in paragraph 4.7 of the GATC.
- 6.1.5 The Accommodation Provider shall provide services to the Resident to the extent and according to the terms and conditions of these GATC, or as agreed in the Agreement, and always in such a way that these services contribute to the fulfilment of the purpose of the Accommodation Relationship. The Accommodation Provider shall at all times provide services in accordance with generally binding legal regulations.
- 6.1.6 The Accommodation Provider is obliged to ensure order and cleanliness in the Common Spaces of the Dormitory. An electric vacuum cleaner is lent by the Accommodation Provider to the Residents for a fee in accordance with the Price List for Services.

7. CONSEQUENCES OF BREACH OF DUTY, CONTRACTUAL PENALTIES

- 7.1.1 The Resident is obliged to comply with generally binding legal regulations and the Agreement, as well as these GATC and other documents according to paragraph 1.1.4 of the GATC when using the services provided. The Resident is obliged to ensure compliance with this paragraph of the GATC by all persons whom they have allowed to temporarily use the Accommodation Place with the Accessories (*paragraph 5.1.2 et seq. of the GATC*).
- 7.1.2 The Resident is obliged to compensate for any damage caused by the actions of the Resident and/or their visitor as a result of a breach of an obligation arising from the Agreement, these GATC, other documents pursuant to paragraph 1.1.4 of the GATC and/or generally binding legal regulations. The Accommodation Security may be unilaterally set off against this claim.
- 7.1.3 If the actions of the Resident and/or their visitor result in a breach of an obligation arising from the Agreement, these GATC and/or other documents pursuant to paragraph 1.1.4 of the GATC, the Resident shall pay a contractual penalty to the Accommodation Provider in accordance with this paragraph, and the Accommodation Security may be unilaterally set off against such

claims; this paragraph is without prejudice to the Accommodation Provider's right to compensation for damages pursuant to paragraph 7.1.2 of the GATC:

- a) if the Resident breaches an obligation set out in the document under paragraph 1.1.4 of the GATC, or an obligation under these GATC (especially under paragraph 5.2.1 of the GATC), except for the obligations under paragraph 5.2.2 of the GATC, the Accommodation Provider is entitled to enforce from the Resident a contractual penalty in the maximum amount of CZK 5,000 for each case of breach of such an obligation, the specific amount of which shall be determined by the Head of the relevant Dormitory;
- b) if the Resident breaches an obligation under paragraph 5.2.2 points a) to c) of the GATC, the Accommodation Provider is entitled to enforce from the Resident a contractual penalty in the maximum amount of CZK 5,000 for each case of breach of such an obligation, the specific amount of which shall be determined by the Head of the relevant Dormitory;
- c) if the Resident breaches an obligation under paragraph 5.2.2 points d) to f) of the GATC, the Accommodation Provider is entitled to enforce from the Resident a contractual penalty corresponding to the compensation for the costs actually incurred by the Accommodation Provider to repair such damage, but not exceeding the amount of the Accommodation Security duly deposited.

- 7.1.4 If the Resident breaches the obligation under paragraph 8.4.4 of the GATC, in particular if the cleaning of the Accommodation Place is found to be inadequate, the Accommodation Provider shall be entitled to a contractual penalty against the Resident corresponding to the lump-sum compensation for damages for the cleaning performed by the Accommodation Provider in the amount to be determined in accordance with the valid Price List of Compensation and Fees; the Accommodation Provider shall be entitled to set off the contractual penalty against the Accommodation Security. This shall also apply in the event of failure to comply with the cleaning obligation during the course of the Accommodation Relationship (*see paragraph 2.4 of the [Dormitory Rules](#)*).
- 7.1.5 If the Resident breaches the obligation according to paragraph 4.3.3 of the GATC, i.e., the Resident does not move upon the Resident's request, the Accommodation Provider shall be entitled to a contractual penalty corresponding to a lump-sum compensation for damages in the amount corresponding to the Dormitory Fee for all additional unoccupied Beds in the Room according to the valid Price List of Dormitory Fee, for each day of delay in fulfilling the obligation according to paragraph 4.3.3 of the GATC; the contractual penalty may be set off against the Accommodation Security.
- 7.1.6 If the Accommodation Provider proceeds to evict and clean the Accommodation Place at the expense of the Resident within the meaning of paragraph 8.4.7 of the GATC, the Accommodation Provider shall be entitled to a lump-sum compensation for the Accommodation Provider's vacating in the amount of the costs incurred for the vacating or cleaning according to the valid Price List of Compensation and Fees to be paid by the Resident; the Accommodation Provider shall be entitled to set off this compensation against the Accommodation Security.

- 7.1.7 If the Accommodation Provider proceeds with vacating and cleaning the Accommodation Place at the expense of the Resident, in accordance with section 8.4.7 of the GATC, the Accommodation Provider shall be entitled to a lump-sum compensation for damages incurred due to the vacating performed by the Provider, in the amount of the actual costs of vacating or cleaning, as per the valid Price List of Fines and Fees. The Accommodation Provider is entitled to offset this compensation against the deposited Accommodation Security.
- 7.1.8 The contractual penalty according to paragraph 7.1.3, paragraph 7.1.4, paragraph 7.1.5 of the GATC and/or compensation according to paragraph 7.1.6 of the GATC are payable within 7 days from the date when the Resident is requested to pay them by e-mail to the e-mail address last entered in the ISKAM User Account.
- 7.1.9 If the Agreement is terminated within the meaning of paragraph 8.3.2 point b), paragraph 8.3.3 or paragraph 8.3.8 of the GATC, i.e., due to a breach of duty by the Resident, the Accommodation Provider shall be entitled to payment of a contractual penalty by the Resident corresponding to the amount of the Accommodation Security; the Accommodation Security may be unilaterally set off against this claim at the time of termination of the Accommodation Relationship. This paragraph is without prejudice to the right of the Accommodation Provider to compensation for damages.
- 7.1.10 In the event that the Resident is in default with the payment of the Dormitory Fee, the Resident shall pay the interest on late payment in the amount of CZK 20 for each day of delay to the Accommodation Provider; the Accommodation Provider shall be entitled to set off the interest on late payment against the Accommodation Security.

8. TERMINATION OF THE ACCOMMODATION RELATIONSHIP

- 8.1.1 The Agreement is always concluded for a fixed period of time corresponding to the Accommodation Period; the Accommodation Relationship primarily terminates upon expiry of the Accommodation Period.
- 8.1.2 The Agreement may be terminated by agreement, withdrawal from the Agreement or termination of the Agreement.
- 8.1.3 If the Agreement is terminated by a notice of termination, the Accommodation Relationship shall terminate upon the expiry of the notice period, which shall commence on the first day of the month following the delivery of the notice. In the event of termination pursuant to paragraph 8.2.1 points b) of the GATC, the Accommodation Relationship shall terminate at the end of the calendar month in which the notice is given by the Resident. In the event of termination pursuant to paragraph 8.3.3 of the GATC, the Accommodation Relationship shall terminate with effect from the date of delivery of the notice to the Resident.
- 8.1.4 If the Agreement is terminated by withdrawal, the Accommodation Relationship shall terminate with effect from the date of delivery of the withdrawal from the Agreement to the other Party. Withdrawal from the Agreement does not affect obligations which by their nature are intended to continue after withdrawal from the Agreement (here expressly, in particular the obligation to compensate for damages, to pay unjust enrichment, to pay a contractual penalty).

- 8.1.5 The effects of a delivered withdrawal and/or notice of termination may only be removed by mutual agreement between the Accommodation Provider and the Resident made without undue delay after the delivery of the act to be removed.

8.2 Conditions for termination of the Agreement by the Resident

- 8.2.1 The Resident is entitled to unilaterally terminate the Accommodation Relationship:
- a) by giving notice of termination without giving any reason with a notice period of two months;
 - b) by giving notice of termination for cause pursuant to paragraph 1.1.5 of the GATC with a notice period until the end of the calendar month in which the notice was given in the ISKAM User Account;
 - c) by a notification made for the reason of departure for a study abroad stay organized by the VŠE under the condition of non-interruption of studies at the VŠE, sent to the Accommodation Provider by e-mail to ubytovani@vse.cz, no later than 14 days before the planned departure;
 - d) by withdrawal from the Agreement for statutory reasons; the Resident acknowledges that they cannot withdraw from the Agreement pursuant to Section 1829 in conjunction with Section 1837(j) of the Civil Code, i.e., from an agreement for the provision of accommodation services, as these are provided within the specified term.
- 8.2.2 The Resident acknowledges that the Resident's obligation to pay the Dormitory Fee is not terminated by giving notice; the Accommodation Provider is entitled to payment of the Dormitory Fee for the duration of the notice period, on the date of termination of the Accommodation Relationship.
- 8.2.3 The Resident is entitled to give notice in the ISKAM User Account.
- 8.2.4 The notification under paragraph 8.2.1 point c) of the GATC must state the date of intended departure falling on a working day, which must be no earlier than 14 days before the departure for the study abroad placement. In this case, the Accommodation Relationship will terminate on the date of the Resident's proper departure from the Dormitory, but not earlier than 14 days before the start date of the study stay according to the Integrated Study Information System of the VŠE (InSIS).

8.3 Conditions for termination of the Contract by the Accommodation Provider

- 8.3.1 The Accommodation Provider is entitled to terminate the Accommodation Relationship by giving 3 days' notice for technical or operational reasons if
- a) due to the state of disrepair of the Dormitory premises or for other objective reasons (damage or destruction of the Dormitory, emergency reconstruction) the Accommodation Provider cannot provide services according to the Agreement, or within the duration of the Accommodation Period this impossibility occurs;

- b) the competent public authority issues a decision on the basis of which it is objectively impossible to provide services under the Agreement.

8.3.2 The Accommodation Provider is entitled to terminate the Accommodation Relationship by giving 7 days' notice if

- a) the Resident has completed their studies according to Section 55 et seq. of Act No. 111/1998 Coll., on Universities, as amended;
- b) despite a written warning from the Accommodation Provider, sent to the e-mail address last indicated in the ISKAM User Account, the Resident repeatedly breaches their obligation under the Accommodation Agreement, or violates good manners;
- c) the Resident has transferred the Accommodation Place to another person for temporary use without notifying the Accommodation Provider, in particular in breach of paragraph 5.1.2 of the GATC (visits);
- d) the Resident is in delay with payment, even if only part of the Dormitory Fee, for at least two consecutive calendar months.

8.3.3 The Accommodation Provider is entitled to terminate the Accommodation Relationship by giving notice without any notice period if the Resident breaches the Agreement in a particularly serious manner that precludes their continued stay at the Dormitory; the Head of the Accommodation and Business Department of the ASPF decides on the fulfilment of this reason for termination of the Accommodation Relationship on the proposal of the Head of the Dormitory.

8.3.4 A particularly serious breach of a contractual obligation under paragraph 8.3.3 of the GATC shall be deemed to be an act of the Resident which results in a serious breach of a generally binding legal regulation, which endangers the protection of health, life or property of other persons and/or endangers the safety of the Dormitory or its immediate surroundings and/or which seriously breaches or repeatedly breaches the basic rules of decency and respect in mutual interactions recognized by society, in particular

- a) any intentional destruction of the Property of the Accommodation Provider (Accommodation Place with the Accessories and/or Common Spaces of the Dormitory);
- b) polluting the Accommodation Place or the Common Places of the Dormitory which is capable of endangering the health of Roommates and/or other persons staying in the Dormitory;
- c) a gross breach of an obligation set out in the operating rules of the relevant Dormitory before or during the implementation of extermination, disinsection, disinfection and/or other measures aimed at protecting the life, health and/or property of the residents (*e.g., an apparent breach of the obligation to report the presence of parasites and/or the presence of a person with an infectious disease*);
- d) harassment of other persons and/or representatives of the Accommodation Provider by noise, verbal expressions, audio reproduction or other conduct that is capable of adversely

affecting the quality of accommodation services provided by the Accommodation Provider to other accommodated persons;

- e) inappropriate behaviour of the Resident towards other residents and/or representatives of the Accommodation Provider, which is capable of constituting a misdemeanour or a criminal offence, or is in obvious contradiction with good manners and ordinary human feeling (*e.g., bullying, excessive and unnecessary harassment of the Head of the Dormitory, unjustified interference with personal rights, giving false or untrue information in communication with representatives of the Accommodation Provider, claiming rights by violence, threat of violence or rude behaviour that cannot be tolerated in a civilised society, etc.*).

8.3.5 The notice of termination given by the Accommodation Provider must contain a specification of the reason for termination, at least by reference to the paragraph of the GATC in which the relevant reason for termination is specified. The notice of termination shall be sent to the Resident at the e-mail address last provided in the ISKAM User Account. The notice of termination shall be deemed to have been delivered upon the expiry of the 10th calendar day following its dispatch. If the Resident does not agree with the reasons stated in the notice of termination, they are entitled to seek the invalidity of the notice of termination by judicial means in accordance with the relevant civil law regulations.

8.3.6 The Accommodation Provider's warning to the Resident within the meaning of paragraph 8.3.2 point b) of the GATC shall contain a specification of the Resident's defective conduct, i.e., what the breach is perceived to consist of; this warning shall be delivered in a similar manner as a notice pursuant to paragraph 8.3.5 of the GATC.
