

# Confirmation of no infectivity COVID-19

1. On the page <https://iskam-web.vse.cz/>, the student logs in to the dormitory information system.
2. In the menu, select Account – COVID - confirmation of infectivity.

3. By clicking on the New certificate button, the student will get into the dialog by uploading the confirmation. Then follow the instructions on the screen.

4. Suppose the student is not physically present at the dormitory for a longer period of time. In that case, it is possible to report this fact via ISKAM by pressing the New Absence button and then filling in the period. During the absence from the dormitory, the student will not be required to confirm the infection. If the presence of a student at the dormitory is established at the time he/she recorded his / her absence there, this case will be considered as a serious violation of the Dormitory Rules and the valid measures related to COVID-19.
