Ref. number: VSE/3729/7000/2021

Reg. number: VSE/4318/2021

**Provision of test places for employees of the University of Economics in Prague and
for students staying at the dormitories of the University of Economics in Prague**

In order to comply with the Resolution of the Government of the Czech Republic of 19 April 2021 No. 393 on extraordinary measures of the Ministry of Health, namely its Annex No. 2 - "Extraordinary measures laying down the conditions for testing students at universities" and in connection with the obligation to test employees according to the measures of the Ministry of Health I issue the following order to the director:

1. Starting on April 29, 2021, there are two test centers in operation for testing DAF VSE employees and accommodated in VSE dormitories. The test center in the Jarov Campus complex is at the Palachova dormitory, main entrance, building D at Konevova 93/198, 130 00 Prague 3 with opening hours every Monday from 8:00 to 11:00 and Thursday from 13:00 to 16:00 (change of opening hours is reserved).
2. All employees of DAF VSE in Prague are obliged to use these testing centers for their testing in accordance with the above-mentioned regulations of the Government of the Czech Republic and the Ministry of Health and in accordance with the Director's Order No. 9/2021. This is repealed point 1 of Order No. 9/2021.
3. All residents at the VSE dormitories are obliged to use these testing centers for their testing in accordance with the above-mentioned regulations of the Government of the Czech Republic and the Ministry of Health and in accordance with the Director's Order No. 12/2021.
4. Accommodation in dormitories who arrive at the dormitory outside the opening hours of these test centers and accommodation in the Svecova dormitory are obliged to give priority to public testing centers operated in accordance with the measures of the Ministry of Health for their testing, provided that the test they submit 48 hours. The validity of this test for entry to the dormitory is 7 days.
5. Accommodation in the dormitories of the University of Economics, Prague, who are tested by their employer by a testing center operated in accordance with the measures of the Ministry of Health, can use the certificate issued in this way to enter the dormitory if they are not older than 48 hours. The validity of this test for entry to the dormitory is 7 days. (This does not apply to self-test tests performed by the employer.)
6. In exceptional cases those accommodated in the VSE dormitories may request a self-test kit at the dormitory reception and confirm the result of such a test with a solemn declaration in accordance with Order No. 12/2021. A receivable in the amount of CZK 350 will be registered in the ISKAM system for the test issued in this way. Alternatively, they can use any test for testing, which is approved by the Ministry of Health for self-testing, which they apply under the direct supervision of the reception of the relevant dormitory and confirm its result with a solemn

declaration. It is the duty of the accommodated person to prove the fact that this is a test approved by the Ministry of Health.

7. The provisions of Orders No. 9/2021, 12/2021 and 13/2021 apply mutatis mutandis in accordance with this order to the Director of DAF VSE.

This order of the Director shall take effect on April 29, 2021.
